3. Analyzing the issue:

English	Simple English	Russian

Upon closer examination it appears that	If we examine the issue more closely, it appears that	При более тщательном рассмотрении оказывается, что
On the surface,	At first glance,	На поверхностном уровне
Viewed from that perspective,	If we look at the situation from that perspective,	Рассматривая с этой точки зрения,
With this in view,	In this regard,	Принимая это во внимание,
Through that lens,	If we view the issue in this context,	Сквозь призму...

4. Supporting the argument:

English	Simple English	Russian
True,	This is true	Действительно,
On the surface, it seems reasonable that...	It looks right at first glance...	На поверхностном уровне это кажется обоснованным,
There are definitely fears linked to X...	Some people are afraid of...	Определенно, есть страхи, связанные с...
Viewed from that perspective, it is natural to believe that	If we look at the situation from this point, we can believe...	Рассматривая с данной перспективы, вполне естественно полагать, что...
Most would agree that...	Many people agree...	Большинство согласилось бы...

5. Disagreeing with the argument:

English	Simple English	Russian
Nevertheless, it seems unclear whether X should imply Y	But it is not clear whether X means Y	Тем не менее, кажется неясным, подразумевает ли X Y.
Quite the reverse is fair:	It is just the other way around	Справедливо обратное.
However, the lines between situations that justify X remain blurred,	But it is hard to tell which situations justify X	Однако, линии между ситуациями, которые оправдывают X, остаются размытыми
However, if we think outside the box, it becomes more evident that	If we think differently, it becomes clear that	Если мы будем думать нестандартно, становится очевидным, что...
Although X is Y for most people, this does not necessarily diminish the value of Z	Though many people think that X is Y, it does not mean that Z is not important	Хотя X означает Y для большинства, это не обязательно уменьшает ценность Z.

6. Giving examples:

English	Simple English	Russian
To illustrate the point,	To make the point more clear,	Для того чтобы продемонстрировать аргумент более наглядно,
X is a case in point	X is a good example	X – хороший пример, подтверждающий...
X makes a compelling case for.../against	X is a good argument in favor of / against	X – хороший аргумент в пользу / против

7. Providing additional information:

English	Simple English	Russian
Furthermore,	Plus,	Более того,
Another point to consider is that...	And...	Другой вопрос, который следует рассмотреть,
In other words,	If we say it differently,	Другими словами,
Aside fromreasons	If we excludereasons	Помимо..... причин,
Interestingly,	This is interesting that...	Интересно то, что.../ Что интересно,

In addition	If we mention additional information...	В дополнение,
It is worthwhile mentioning that...	It is important to mention that...	Следует упомянуть о том, что...

8. Concluding the essay:

English	Simple English	Russian
To conclude,	In conclusion	В заключение,
To summarize,	To sum up,	Подводя итоги,
Finally, it may be concluded that...	Finally, we can conclude that...	Наконец, можно сделать вывод о том, что...

Advanced Vocabulary vs. Simple Vocabulary.

Simple English	Advanced English	Examples:
Many people	Most people Many Most	Many people think that... vs. Most people agree that... Many believe that... Most consider that...
